# Manage Tabs on Home page

Click on a tab to edit

The screenshot shows the 'Tabs' configuration panel in Fusion Builder Live. The panel is divided into two main sections: 'Add / Edit Items' on the left and configuration options on the right. The 'Add / Edit Items' section contains a list of tabs: '1. Selected Reviews...', '2. Bio', and '3. Catalogues', each with edit, duplicate, and delete icons. A red circle highlights the edit icon for the first tab. The configuration options on the right include: 'Design' (Classic, Clean), 'Layout' (Horizontal, Vertical), 'Justify Tabs' (Yes, No), 'Background Color' (Select Color), 'Inactive Color' (Select Color), and 'Border Color' (Select Color). A red arrow points from the text 'SAVE CHANGES' to the 'SAVE' button at the bottom right.

Make edits and save

The screenshot displays the 'Tab' configuration modal in Fusion Builder Live. The modal is titled 'Tab' and has a close button (X) in the top right corner. It is divided into three main sections:

- Tab Title:** Labeled 'Title of the tab.', it contains a text input field with the value 'Bio'.
- Icon:** Labeled 'Click an icon to select, click again to deselect.', it features a search bar labeled 'Search Icons' and a grid of 100 various icons for selection.
- Tab Content:** Labeled 'Add content for the tab.', it includes an 'Add Media' button, a 'Visual' / 'Text' toggle, and a rich text editor. The editor shows a dropdown menu set to 'Paragraph' and a toolbar with bold, italic, list, link, and other formatting options. The content area contains a blue link that says 'View BIO'.

At the bottom right of the modal, there are two buttons: 'SAVE' and 'CANCEL'. The background interface shows a sidebar with navigation options like 'Dashboard', 'Avada', 'Fusion Builder', 'Pages', and 'Settings', and a top header with the user name 'Marianne Van Lent, Painter' and 'Howdy, admin'.
